Benefits of FirstLight's Partner Program

- Complete Portfolio of Data, Internet, Colocation and Voice Services Backed by Industry Leading Customer Service
- Dense Fiber Network in Upstate New York and Northern New England
- Locally-based Service and Support
- Cost Effective Pricing
- Competitive Commission Structure
- Ongoing Training and Support
- Co-branding Opportunity
- Easy to Work With - From Paperwork, Processing and Support, We Make Marketing FirstLight's Services Easy

Agents

VARs, Systems Integrators and others interested in marketing and selling FirstLight's services will earn ongoing commissions based on a pre-specified percent of the contracted monthly recurring revenue. The percent you are paid is based on the total FirstLight revenue you have under management. The more FirstLight sales you make, the higher the percentage you can earn.

Referral Partners

Those companies interested in referring leads to our talented sales team can earn a one-time commission for each new referral that results in a signed FirstLight contract.

**Whether you are
VAR, a systems
integrator or referral
partner,
we have a program
designed to meet
your needs.**
